RE: 2007 DAPREX Users Group Meeting

The 2007 DAPREX Users Group Conference will be held at the Pointe Hilton Tapatio Cliffs Resort in Phoenix, AZ, on October 25 and 26th, 2007.

For those of you who are new to DAPREX or first time attendees, the DAPREX User Group is your forum. It is your chance to shape the DAPREX software applications to meet your current and future needs. Thursday's agenda includes a complete review of the financial applications, (General Ledger, Accounts Payable, Miscellaneous Cash Receipts, and Payroll) as well as a question/answer period. Special attention is given to those new functions/features that have been added throughout the year and those that you might not yet have seen. On Friday morning it's your turn. The users meet without DAPREX to discuss issues concerning the development of future enhancements, those functions and features that you and your company need and may require in the future, etc. DAPREX then rejoins the group to discuss your forum findings. If there is interest we can offer breakout sessions to demonstrate applications not covered on Thursday, additional training, and individual one-on-one assistance with specific problems/issues. Friday Afternoon is reserved to show you new products and services that you can easily incorporate into your current systems. This year the plan for Friday afternoon is not yet complete so if you have any suggestions, please let me know.

As always, I need to know who will be attending this year's meeting. Please complete the bottom of this letter and if you will require lodging also complete the attached form and fax to (203 348-8228) or e-mail (laurah@daprex.com) to me by September 7, 2007. Seats are limited, so please let me who and how many from your organization will be attending. There is a \$150 registration fee per attendee.

Hope to see you in Phoenix

Attendees

Session I Thursday October 25, 2007

Session II Friday October 26, 2007

DAPREX User Group 2007 Continued

For those of you who will require lodging, I have contracted with the Pointe Hilton Tapatio Cliffs Resort, in Phoenix. All the accommodations are suites, so this really gives you the opportunity to add more users to the meeting or bring along family members, the rate is per night is \$189.00, if you book through DAPREX. The weekend rate (Friday & Saturday night) is the same so that you can take advantage of the lower airfares (Saturday night stay required) and stay until Sunday.

I will need a rooming list by September 7th, so please complete the following if you plan on attending. If you are unsure of your exact dates of arrival and departure, please return this with dates marked as approximate. Again, time and space is limited, so get your reservations to me as soon as you can.

Arrival Date	Name	Credit Card #	Exp Date	Name on Card	Departure Date	Single Double	Special Needs
--------------	------	---------------	----------	--------------	----------------	---------------	---------------

If you require any additional information or have any questions, please call me as soon as you can. I will be sending an updated agenda along with maps and other travel information soon. If you would like more information about the DAPREX (or any other) User Group, please call.

Hope to see you in October.
